

Students Satisfaction Survey (SSS)

Analysis Report (2017-2018)

Shri Chinai College of Commerce and Economics is the well-known prestigious educational institution in Mumbai Suburban District, established in the year 1963 & it is affiliated to University of Mumbai and it is approved by the UGC.

The institution offers U.G. courses and seeks to excel in its academic standards. College takes pride in upgrading its quality and eminence through constant feedback/Survey. Students Satisfaction Survey (SSS) is one amongst this survey that benefit in updating the superiority of our academic excellence. The Students Satisfaction Survey (SSS) comprises of the questionnaires endorsed by the NAAC. The Student Satisfaction Survey enquires from the students about their experiences and how they feel about the institution. This kind of feedback is essential for improving the teaching-learning and student-centric facilities. The feedback indicates that majority of the students responded that degree is effective after completion of graduation. And less number of students think degree is not that effective. Majority of the students feels that the college do provide information and counselling about career and placements from time to time and very few students never thought about. The college also provides information about scholarship and other facilities to the students.

The summary is presented on the college website. The response given by the students for questionnaire are demonstrated with pie chart as given below.
