**A Report on “Ethics and professional skills at workplace” 2021-2022.**

Shri Chinai College of Commerce & Economics with collaboration with IQAC had organized a one day Webinar on the topic “Ethics and Professional Skills at Workplace” on Saturday, 27<sup>th</sup> November 2021 at 11:00 am.

Prof. Shruti Pillai was the speaker for the Webinar. She enlightens her valuable knowledge to train the students and to develop professional skill ethics in their personal and professional life.

She spoke about ‘what is ethics?’ and ‘Why do I need any ethics in my life?’ She then described the two types of ethics:

1. Taking tough calls and decisions.
2. Deciding right or wrong.

She explained these types by using the world war and triage as an example where work ethics come in to play. She also defined Professional Ethics and enumerated many Professional Dilemmas, as well as providing a few examples of Professional Ethics.

Moving further, she explained the Paradigm of Ethical Dilemma which was as follows:

1. Truth v/s Loyalty
2. Short term v/s Long term
3. Individual v/s Community
4. Justice v/s Mercy

The students had a better grasp of Professional Ethics and how to cope with ethical challenges as a result of this session.

The programme was ended by vote of Thanks by Prof. Jharna Sarkar.
